8 Policy Title Fees and Charges Code No. 807.40
9

10
11 Fees and charges will be reviewed and updated on an ongoing basis to ensure that they
12 keep pace with the cost of providing the goods and/or services for which the fees and
13 charges are collected as well as changes in methods or levels of service or goods
14 provided.

15
16 The following general concepts will be used in developing and implementing fees and
17 charges:

18
19 Revenues should not exceed the reasonable cost of providing the goods or service.
20

21 Cost recovery goals should be based on the total cost of delivering the service, including
22 direct costs, departmental administration costs, and organization-wide support costs
23 such as accounting, personnel, data processing, vehicle maintenance, and insurance.
24

25 The method of assessing and collecting fees should be as simple as possible in order to
26 reduce the administrative cost of collection.
27

28 Rate structures should be sensitive to the "market" for similar services as well as to
29 smaller, infrequent users of the service.
